

Refer and Earn

If you've found value in what I do, I'd love your help spreading the word. Drum Audio Editing is a small independent business that has been built from the ground up, so your support would mean the absolute world to me.

Our **Refer and Earn** programmes enable our clients to get paid cash for recommending our services to a friend. Not only will you be supporting my business, but you'll be adding value to your friends and colleagues by giving them a reliable and trustworthy solution to their own editing needs.

We have two tiers of referrals, the one first one being the **Producer Power Perks** for the more casual referee. If you are more of a chatterbox and refer over 5 people to us in a 12 month period, you have the opportunity to enrol in our partner program with truly unlimited benefits.

- *Note: We count someone as a referral as soon as they book their first project with us*

Producer Power Perks

- Refer a new client and receive **£25 in cash or credit** as soon as they spend a total of **£100**.
- Receive a **bonus additional £50 in cash or credit** as soon as the client you referred spends a total of **£400**.
- You are eligible for 5 new client rewards in a 12 month rolling period, a **total of £375/\$500**.
- As soon as each checkpoint is hit, we'll send your cash to you **within 24 hours**.
- Refer **6+ clients within 12 months** and you will have the chance to **join our partner program** if you wish.

Producer Partner Program

- Earn 10% **Lifetime commission** from all projects booked by clients you have referred. No max earnings! This commission continues even when you exit the program.
- Get paid all your accrued monthly earnings on the last day of the month.
- New clients that you refer also get **15% off their first project** when they mention your name.
- Receive **10% discount on all your projects with us**, to put more money in your pocket, or help to incentivise your customers to pay to outsource your editing. This perk will expire when you exit the program
- You **must maintain referring 6 or more clients** in any 12 month period to remain a part of the program.

Note that you can't be taking advantage of both programmes at the same time. However, once you complete the initial 5 referrals (within a 12 month window) and benefit from the power perks, you can either enrol onto our producer partner program or choose to wait until the 12 months have elapsed from your first referral to start earning again.

There are no hidden T&C's, no jargon or fine print. It's as simple as it sounds. Get paid via Paypal or Bank Transfer in the equivalent of your currency. You'll have your own secure spreadsheet where we will keep you updated on the progress of your referrals, while maintaining the privacy of our clients specific spending.

Most importantly of all - please don't forget to tell the people you refer to us to mention your name!
